

Certificate of attendance

This is to certify that

Alejandro Izquierdo Molina

has participated in

PLANCKS 2025

as a **Participant** representing the

Territorial Committee Spain

of the International Association of Physics Students (IAPS).

PLANCKS 2025 was held in Barcelona, Spain, from May 1st to 5th 2025. PLANCKS is an IAPS event and this was its 12th edition, organized by the Students' Group of the Spanish Royal Physics Society, as Territorial Committee Spain of the International Association of Physics Students (IAPS), in collaboration with IAPS.

PLANCKS 2025 has been a celebration of physics excellence, bringing together brilliant minds from around the world to share knowledge, curiosity, and a passion for discovery, while challenging participants to push the boundaries of their understanding through discussion and engagement with leading researchers.

Issued on behalf of the PLANCKS 2025 Organizing Committee
Barcelona, May 5th 2025.

Manuel Porrón Álvarez
President of the PLANCKS 2025
Organizing Committee

Niloofar Jokar
President of IAPS
